About Storybase Books

Storybase Books publishes books that help beginners learn Latin and Greek by reading.

Our novellas use limited vocabulary to tell engaging stories that are accessible to novice- and intermediate-level readers. Meanings for many words are provided in footnotes and a full index of all words, word forms, and phrases is included in each novella. Readers can thus read each novella on their own, with others, or with a class.

For all of our novellas, tiered readers, and other books, please visit:
